

# KNIGHTS OF COLUMBUS

IN SERVICE TO ONE. IN SERVICE TO ALL.

September 2011

Greetings Brothers,

As usual it seems that time is flying by, but it appears as though this year has accelerated and so we must begin planning for several events that are fast approaching. First of all, at the masses on the week-end of Sept. 10<sup>th</sup> and 11<sup>th</sup>, Council members will be talking about the function of a KC Council in the community and how important it is to support your council in its activities. A signup table will be available at each mass for additional information. I need a little help with this part. If you would like to man the sign up table at the mass you choose to attend, please call me. All KC members are asked to gather in the rear of church before the mass you are attending to participate in a procession to the front of church. Please be a part of this event to show the community that we are strong in number and that you care about your council.

Another activity we are working on is the diocesan celebration honoring St. San Lorenzo Ruis, the first saint of the Philippines and giving thanksgiving for the many priests from the Philippines who are ministering in many church parishes in our diocese. The celebration will be held on Sunday, September 25<sup>th</sup>, after 5:30 PM mass in Holy Rosary School cafeteria. The celebration will be attended by Bishop Sam Jacobs, many Filipino priest and guest from several neighboring diocese and around the country. They will be bringing some of their native foods for us to enjoy. Council cooks will be preparing a Cajun meal as well. You are invited to join us in support of this event.

I'd like to thank fellow Knight Corey Schouest and the staff of STAT Home Health for providing the free Wellness Check Clinic at last month's meeting.

Vivat Jesus,

*John Guidry* Grand Knight
